MAKE THIS AN ATARI COMPUTER CHRISTMAS!

The Atari Club is making it easier than ever for you to have a computer Christmas this year. We're offering very attractive prices for two Atari computers with large memory capacities and superb features—the Atari 800 and the 1200XL. Not only have we dropped the prices to the lowest possible level, but you are eligible for a big rebate direct from Atari too, lowering your final cost by another \$100. And you don't even have to pay the full purchase price now—credit card customers can take advantage of our Compute Now, Pay Later option. Pay just 1/4 now, and we'll bill the rest after Christmas—1/4 in January, 1/4 in February.

Make no mistake—the low prices we're offering provide a convenient entry point into home computing, but these two computers do not limit your horizons in the least. They are both fully compatible with the complete line of Atari computer equipment and programs. If you've been waiting for the right combination of features and affordability, your wait is over.

FOR STORING AND LOADING PROGRAMS

ATARI 1050 DISK DRIVE

A GIFT FOR YOU FROM THE ATARI CLUB

To help you enjoy your Atari 2600 game system even more at holiday time and throughout the coming months, we've put together this package of money-saving coupons for Club members. You can take \$10 off on the hottest Atari accessory around — the Trak-Ball Controller. And here are \$5 savings on four hit Atari cartridges.

To take advantage of these savings, just hold on to your receipt when you buy any of the listed games or accessories. You can make your purchase at your local retailer or directly through The Atari Club. Then fill out the appropriate coupon, send it to the address specified along with your purchase receipt, and Atari will send you a check for the coupon amount. It's one more way the Club is making Atari fun even more fun — happy holidays from all of us!

COMPUTE NOW— PAY LATER

We're making your holiday/gift-giving easier this year with a special payment plan for Club Members.

If your order totals \$200 or more and you are paying with Mastercard or Visa, you can pay as follows:

- 1/2 now with your order
- 1/4 will be billed automatically to your credit card in January
- 1/4 will be billed automatically to your credit card in February

There is no additional charge from the Club for this service. Your order may include any combination of merchandise sold by the Club, including computers and Atari 5200 units, along with game cartridges and peripherals, and accessories for all Atari systems. As long as your order totals \$200 or more, you're eligible to Compute Now/Pay Later. Just fill out the appropriate section of the Order Form at right, or tell our telephone representative when you call our toll-free number.
